## Photography and Filming Agreement

I consent to RAW Adventures using photographs and/or video recordings, including images of me, to promote RAW Adventures and its activities. These images could be used in print and digital media formats including print publications, websites, e-marketing, posters, banners, advertising, film and social media.

I understand that images/videos on websites can be viewed throughout the world and not just in the United Kingdom and that some overseas countries may not provide the same level of protection to the rights of individuals as EU/UK legislation provides.

I have read and understand the conditions and consent to my images being used as described.

RAW Adventures is committed to processing information in accordance with the General Data Protection Regulation (GDPR). The personal data collected on this form will be held securely and will only be used for administrative purposes.

### Your rights

You have the right to request to see a copy of the information we hold about you and to request corrections or deletions of the information that is no longer required. You can ask RAW Adventures to stop using your images at any time, in which case they will not be used in future publications or formats but may continue to appear in publications or formats already in circulation.

If you have any questions relating to this agreement or the ways in which we may use your image, please contact us: [info@raw-adventures.co.uk](mailto:info@raw-adventures.co.uk)
